Overall, my child has improved 100% not only academically, but personality wise as well. He has great attendance and is so much happier as a person since attending Bennett. He also feels safe and has made new friends.

All I could say when can I get my son Nicholas Delgado 8th grader and Alexander Delgado 10th grader in this school. This is the BEST school my kids have ever attended. The staff is wonderful.
My experience and my son's experience thus far has been excellent. He is really enjoying the environment and opportunities provided. You guys are doing a great job!! It's quite evident that the staff truly cares about the students and families. Again, nice job and all of you are very much appreciated. Please pass this on to the teachers and staff.
Very happy my son has been able to attend Bennett. It is a new lease on his academic life and future!
I feel, that Bennett was needed decades ago. So many good people have fell through the cracks in the educational system and have had harder lives as a result. This school enables good children to become good adults and productive members of society, by maximizing potential, that would have normally got missed . I want my son to work smarter not harder. I am very grateful for my tax dollars going toward philanthropy. Thank you.

So very thankful that there are other opportunities in Mountain Home rather than the High School! I appreciate everything that Bennett has and will continue to do for Students who need a little Extra!! THANK YOU!
more communication from teachers regarding my daughter's academic performance would be helpful as I can't always access powerschool.
My son has done a great job since attending Bennett!
Bennett has helped my sons so much and in-turn has helped our family life. For my youngest son this is the first time he has liked school, ever. I feel that Bennett has helped my sons gain a higher self esteem. I think this is the best school, they really care about each student. Thank you so much for everything you all do to encourage my son.
